

Accredited SFI Discover Science Centre

About The Rediscovery Centre

The Rediscovery Centre is a creative space connecting people, ideas and resources. We bring together the skills and expertise of artists,

scientists, designers and craftsmen, united in a common purpose of sustainability, resource efficiency and reuse.

The Rediscovery Centre provides a variety of exciting and interactive workshops linked to the primary and second level curriculums which can be delivered virtually online or in your library. Our educators are trained in delivering environmental education and are Garda vetted. The Rediscovery Centre is an accredited Discover Centre under the Discover Primary Science and Maths programme. Workshops for Libraries

The Rediscovery Centre education workshops are 90 minutes in duration and link to the national curriculum through a range of subjects including Science, Geography, Maths, SPHE, CSPE, and Visual Art. Each workshop features a presentation, a range of interactive activities and/or games and ends with a feedback session to encourage the students to share what they have learned throughout the workshop. We can facilitate a maximum of 30 students per workshop.

We offer specific workshops such as for Science Week, Maths Week and Engineers' Week, Heritage Week and Summer Reading schemes. We also offer arts and crafts workshops that can be tailored to the library's requirements.
