ECO-UNESCO

ECO-UNESCO is Ireland's Environmental Education and Youth Organisation that works to conserve the environment and empower young people. Through their range of programmes and services, they support the personal development of young people and raise environmental awareness through practical environmental projects.

ECO-UNESCO's Young Environmentalist Awards (YEA) is an all-Ireland environmental awards programme that recognises and rewards young people who raise environmental awareness and improve the environment.

Events at the Let's Talk Science Festival

12pm on Friday 13th November 2020

 Young Environmentalist Awards talk: ECO-UNESCO are hosting a live virtual presentation on how schools can take part in this environmental awards programme

2pm on Saturday 14th November 2020

 Join marine scientist Eimear Manning to explore why we need an ocean full of sharks! In this workshop Eimear will debunk some of the most common myths surrounding these mighty creatures, and will dive into their biology and behaviour.
