Leave No Trace Ireland

Leave No Trace is an outdoor ethics education programme designed to inspire responsible outdoor recreation. Leave No Trace Ireland provides research, education and outreach so every person who ventures outside can protect and enjoy the outdoors responsibly.

At the heart of Leave No Trace are seven principles based on an abiding respect for nature, culture and people, which incorporates techniques designed to minimise environmental and social impacts. Leave No Trace Ireland offers a range of educational opportunities through workshops, certified training courses, events and school programmes.

Pack It In, Pack It Out

Join Leave No Trace Ireland Trainer Ellie Berry who will guide you through one of the 7 Principles of Leave No Trace. In this video Ellie will go through how long it takes for different materials to breakdown in the environment should we leave them there and the processes involved.
