## The Marine Institute

The Marine Institute is the State agency responsible for marine research, technology development and innovation in Ireland. They provide scientific and technical advice to Government to help inform policy and to support the sustainable development of Ireland's marine resource.

*Foras na Mara*  
*Marine Institute*

The Marine Institute is very involved in education and outreach related to the marine environment through their Explorers Education Programme and outreach events such as SeaFest, inspiring a new generation of ocean champions and promoting the importance of our ocean.
