

## Vacancy Details:-

### **WPEP Title**

### **Paint Reuse Assistant**

### **Description of role**

The Rediscovery Centre has a paint reuse social enterprise called Rediscover Paint. Rediscover Paint collects paint suitable for reuse from recycle centres in the Dublin region and turns it into new paint. Creating a new circular & sustainable product from what was destined for disposal.

Rediscover Paint are delighted to offer this placement, which will provide the successful applicant with an opportunity to develop an understanding of the circular economy and paint reusing techniques.

The participant will assist and learn their duties with the mentorship of an experienced member of staff.

On a day-to-day basis the successful participant will assist and learn the following:

- Creating new product through reuse of materials
- Paint & colour mixing skills
- Manual handling
- General day-to-day tasks related to running a high-quality efficient workshop.
- Stocktaking & stock management
- Basic administration work

This is a training and work experience opportunity; no prior experience in this role is necessary.

### **Description of Training Participant will be provided:**

Accredited and/or sector recognised training will be provided to support your placement. Participants are eligible to participate in the WPEP QQI Work Experience Module which was developed by the Education & Training Boards in collaboration with the Department of Social Protection. This optional module will fulfil your accredited training requirements for the WPEP. The participant will receive informal training and mentoring in the following

#### Formal Training

- Creating new paint product through reuse of materials (circular economy)
- Paint & colour mixing skills
- Manual handling
- Stocktaking & stock management
- WPEP QQI Work Experience Module

#### Informal Training

- Customer service
- Understanding of sustainability and the circular economy
- Administration
- Customers service
